

On-Campus Evaluation Form

Institute of International Education
1400 K Street, NW, 7th Floor, Washington, DC 20005-2403

Instructions: This form should be used to rate each applicant's qualifications for a Boren Fellowship. An electronic copy is available with each online application.

BOREN CAMPUS REVIEW COMMITTEE MEMBERS - Please complete a copy of this form for each application that is reviewed and return the completed form(s) to your Boren campus representative. We encourage you to include comments or qualitative impressions of an applicant, particularly those that may highlight circumstances not apparent in the application. Your ratings and comments will be available to review panels as they identify meritorious candidates in each region.

BOREN CAMPUS REPRESENTATIVE - Summarize ratings and comments of all campus committee members on the online campus representative evaluation. You can login from the campus representative section of www.borenawards.org. Contact IIE at boren@iie.org, if you do not know your username or password. The composite rating should never be higher than 5.

Boren campus representative: _____ Phone: _____

APPLICANT: _____

1. Does the applicant meet the following preferences? If not, does the applicant make a compelling case that such study can contribute to U.S. national security? If the applicant cannot study abroad for at least 6 months, does he or she make a compelling case for shorter study abroad?

a. Commitment to Government Service Yes/No

Comments:

b. Country Yes/No

Comments:

c. Language Yes/No

Comments:

d. Field of Study Yes/No

Comments:

e. Long Term Overseas Study (Over 6 Months) Yes/No

Comments:

2. Does the applicant provide a clear and compelling explanation of the relevance of his or her country, language, field of study, and overseas study to U.S. national security, broadly defined?

Yes/No

Comments:

3. Does the applicant demonstrate a serious commitment to language study, before, during, and after his or her overseas study? Does the applicant have realistic expectations for the proficiency level that can be obtained abroad, and is the applicant in the right overseas program to support these expectations)?

Yes/No

Comments:

4. Does the applicant possess the appropriate academic preparation, cultural adaptability, flexibility, and maturity required to succeed abroad? Consider a proven or steadily improving academic record, on or off campus evidence of cultural adaptability and maturity, and other factors that warrant comment.

Yes/No

Comments:

Please rate the applicant from 1-5 (1 is poor and 5 is excellent).

Overall Rating:_____
